

# We do it because we can

## A time line

We are the same everywhere

We made cave paintings.....Prehistoric times

We hunted.....Older Stone ages - Paleolithicum

We threw stones

We gathered

We cultivated the soil.....Younger Stone Ages – Neolithicum

We used bows and arrows

We moved closer together

Sumerians

We wrote cuneiform characters.....Historic Times, written language

We wheeled

We worshipped more than one God

We developed bronze.....The Ancient Times

We wrote hieroglyphs.....The Egyptians

We fought with swords

We developed iron .....The Hittites

We spread.....First Super Power, The Babylonians

We civilized.....Chang Dynasty in China, The Olmecs in Mexico

We spoke other languages

We counted from 1-10.....India

We conquered.....Greeks, Persians, Alexander the Great

We wrote the alphabet.....The Phoenicians

We grew into Empires.....The Roman Empire

We travelled with caravans

We worshipped one single God

We crusaded.....The Middle Ages

We divided the world into kingdoms

We shot with canons.....Newer Times

We became God.....The Renaissance

We printed books

We imprisoned

We reformed.....The Reformation  
We missionized  
We expanded our horizons.....The Age of Enlightenment  
We revolutionized  
We shot with shotguns  
We industrialized.....The Age of Industrialization  
We colonized  
We sailed on steam  
We originated from the Apes.....Darwinism  
We became citizens  
We paid interest on our fortune  
We used Penicillin  
We drove  
We atom bombed.....World War II  
We watched television.....The Screen Ages  
We flew  
We globalized.....The Globalization Ages  
We multi-nationalized  
We genetically modified  
We congested  
We digitalized.....The Digital Ages  
We computer-gamed  
We terrorized  
We virtualized  
We multi-tasked  
We supervised  
We droned  
We lived in everybody else's now.....To-day  
We were the same everywhere
